

Directions to Applied Engineering Products

page 1 of 2 • see next page for local maps

From Hartford and North:

- Interstate 91 South to Exit 6 (Willow Street exit).
 - At end of exit ramp, turn left on Willow Street.
 - Turn right at stoplight (State Street).
 - Turn left at next street (James Street).
 - Turn right at second intersection (Murphy Drive).
 - Follow Murphy Drive around curve to left; AEP is the large blue building on the right side of the street.
-

From New York and South:

- Interstate 95 North to I-91 North (I-95 forks at this point; I-91 is *left* fork).
 - Follow I-91 North to Exit 5 (State Street exit).
 - Turn right at end of exit ramp onto James Street.
 - Continue through first stoplight (Lombard Street); turn right at next street (J.W. Murphy Drive).
 - Follow Murphy Drive around curve to left; AEP is the large blue building on the right side of the street.
-

From Providence and East:

- Interstate 95 South to I-91 North (exit is immediately at end of Pearl Harbor Bridge; keep right on bridge).
 - Follow I-91 North to Exit 5 (State Street exit).
 - Turn right at end of exit ramp onto James Street.
 - Continue through first stoplight (Lombard Street); turn right at next street (J.W. Murphy Drive).
 - Follow Murphy Drive around curve to left; AEP is the large blue building on the right side of the street.
-
